Hamtramck: Soul Of A City (MI) (Images of America) Greg Kowalski
Since its founding in 1798, the city of Hamtramck, Michigan has evolved from a dusty farming community on the edge of Detroit into a nationally recognized town of culture and character. The Dodge Main factory, founded in 1910, drew thousands of immigrants to the city of Hamtramck, and a vibrant, multi-cultural community began to grow. Over the course of the next 90 years, the people of Hamtramck developed a landmark educational system, a strong devotion to church and family, a fiery political scene, and labor-organizing activities with national reverberations. In this book, author Greg Kowalski uses a unique collection of historical photographs to document Hamtramck's incredible growth throughout the years, and reveal the unmatched integrity, commitment, and independence of its people.
