Mobilized: An Insider's Guide to the Business and Future of Connected Technology Sophie-Charlotee Moatti
Mobile technology has now become such an integral part of how we live that, for many people, losing a cell phone is like losing a limb. Everybody knows mobile is the future, and every business wants in, but what are the elements of mobile success? Sophie-Charlotee Moatti, a Silicon Valley veteran, has created a unique Mobile Formula that makes it easy for any business to develop a strategy for creating mobile products that count. Moatti argues that we so identify with our mobile products that we expect from them what we wish for ourselves: an attractive body, a meaningful life, and increasing competence and ability. For the first time, this how-to guide examines what is required for business success in the mobile era.
