This book features more than 30 classic hymns for a guitar-playing worship leader. For each hymn, guitar chords, lyrics, and melody are provided to enable simple strum-style congregational accompaniments. For more advanced guitarists, an intermediate-level fingerstyle arrangement for each hymn is provided as well. Additionally, there are five advanced solo guitar arrangements that are excellent for use as instrumental preludes, postludes, recitals, and more.

The included data CD contains fully orchestrated play-along accompaniment MP3s for all 32 hymns for use during services and performances, plus the five solo arrangements. In addition, PDF lyric sheets that can be printed and distributed to the congregation are embedded on the CD. Finally, the included TNT software allows you to change the tempo of the recordings and even change key!
