A Guide to Expository Ministry Dan Dumas
Expository preaching is a call to deliver from the pulpit what has already been delivered in the Scriptures. A Guide to Expository Ministry, edited by Dan Dumas, calls for the recovery of this kind of preaching in local churches. The book also encourages faithful, qualified pastors to apply the demands of expository preaching to their lives and to their preparation. Lastly, the book provides practical help for all of God's people to become more effective sermon listeners, Bible readers and church members.
