Introducing African Science: Systematic and Philosophical Approach (Studies in African Philosophy, Science, Logic and Mathematic) Jonathan O. Chimakonam
You are about to read a much-needed book that will open your eyes to the Africa that has been hidden from us. Thinking out of the box of Western thought pattern, Dr. Jonathan has been able to give to the world this revolutionary masterpiece in the intellectual history of Africa. By systematizing African science he has emphasized that more than one cock crows. We may therefore call him the Demiurge of new African renaissance. Mary Nelson Sankofa Directions Houston Texas, USA ' Se wo were fi na wosan kofa a, yenkyi' Learning from the past in building the future ---------- With this masterpiece, Dr. Jonathan has answered all the critics of Africa's intellectual and inventive ability. He has opened a door to Africa's authentic renaissance. The work is a beacon in Africa's history and the author has emerged as one of the continent's brightest minds. Chris Iwarah The Sun Newspaper ---------- With this towering intellectual accomplishment, Dr. Jonathan Chimakonam has not only proven that Africans are capable of revolutionary thoughts but has emerged as one of the leading original thinkers on the continent. In fact, in this piece of adorable literature, Jonathan could be said to have done for Africa what thinkers like Francis Bacon did for the West Prof. G. O. Ozumba Head, Department of Philosophy University of Calabar, Nigeria ---------- What Jonathan has done is not different from what the builders of Western science did. In fact, he has taken his seat as the Francis Bacon of African science project and it would not be out of place if one describes him in the future as the father of African science. Okechukwukelu Okonkwo Deputy Director Programmes Anambra Broadcasting Service ---------- This book is a great exploration into a rich repository of wisdom and knowledge which needs to be recaptured. It is African renaissance that will
