More Than Human The Photography of Tim Flach 2017 Wall Calendar Tim Flach
Sellers Publishing is pleased to present More Than Human. Tim Flach is renowned for his photographic exploration of animal species ranging from mammals to marine creatures to insects. By removing the creatures from their natural environments, and shooting in a minimal studio setting, the images take on a portrait-like appearance usually reserved for humans. With close-ups and unusual angles his images provoke the viewer to see the subject in a different light. How does a lack of familiar habitat or environment affect our perception of a particular species? When forced to see a creature strictly for itself, how does our awareness and understanding change? Flach's inquiry is at once highly intellectual, subtly political, and at the same time charmingly visual. This new calendar will both captivate and rivet you. The simple yet exquisite photographs capture Tim's broad exploration of the world's species.
