Power from the Margins: The Emergence of the Latino in the Church and in Society Ricardo Ramirez *"As few others can do, Bishop Ricardo Ramírez captures the drama and significance of the emergence of Latinos in U.S. Catholicism and society over the past fifty years. This vivid memoir and theological/pastoral reflection covers a broad range of issues dear to the heart of ministers, educators, community leaders, and the wider community.. . . This timely testament provides wisdom for all those seeking to grasp where Latinos are today and where they are going."* --Allan Figueroa Deck, SJ

From his roots in Bay City, Texas, to his service as a priest and later bishop of Las Cruces, New Mexico, Ricardo Ramirez's life has unfolded against the struggles, the hopes, and the vibrant faith of the Latino Church. In *Power from the Margins,* he traces the historic struggle of the Latino Church to find its voice and outlines a road map for the future. His reflections range from the role of the family and the promise of youth, to education, civil rights, and the challenge of immigration. Probing the profound faith that lives in the Latino Catholic heart, he explores the role of popular piety, devotion to Mary, and "liturgy as fiesta."

Concluding with reflections on the impact of Pope Francis, he echoes the Pope, calling on the whole church to come out of our comfort zones, to follow Jesus, and discover the power that lies at the margins.
