2008 God's Final Witness Ronald Weinland
2008-God's Final Witness reveals the timing of catastrophic end-time events that will escalate worldwide and result in the total demise of the United States within two years. **Ronald Weinland** states that 2008 will mark the beginning of the final events that will thrust the world into the great tribulation, which will usher in World War III. This last war will be the result of clashing religions and the governments they sway. This latest book explains end-time prophecies and the reasons such destructive events must come to pass. It also tells of God's intervention to save mankind from his self-imposed destruction, the end of man's self-rule, and the beginning of God's government being established over all nations. *2008-God's Final Witness* is a revelation of the Book of Revelation. Ronald Weinland states that he has been given the task of revealing the truth about those things John wrote. This book also reveals the Seven Thunders of the Book of Revelation, which the apostle John was not allowed to record.
