DARK AGE: An Infinite Power Saga Prequel Story The world, as you know it, is about to change forever… Robert Pratt is the resident psychiatrist on staff at the George Washington Prison and Asylum; the place where the worst of the worst are locked away. He has become deeply familiar with the workings of the criminal mind; however, nothing could prepare him for what he is about to face. In the blink of an eye everything will come crashing down, and infinite power will be unleashed. When a strange explosion rocks the prison and all the inmates are set free, Robert will be faced with a struggle for his life, and his mind. In a world that is so different from our own, and yet somehow familiar, Robert must unravel the mystery behind the infinite power that has suddenly been thrust upon the world. Experience the story that started it all; the origin of the Infinite Power Saga. C.Z. Anderson, the visionary author of Warriors of Wonderland: Deliverance, presents the mind-bending origin of the epic Infinite Power Saga. PRAISE FOR DARK AGE: "Fans of Marvel's X-Men series will recognize a sense of familiarity in C.Z. Anderson's Blitz Universe, but appreciate a new spin on a classic genre. Anderson has taken the time-honored concept of superheroes and added his own touch to it; making it [the genre] into his own unique creation by way of an unusual cast of characters in a setting that is different than one might expect. Blitz Universe leaves you wanting more; retaining an air of mystery that makes the reader eager for the rest of the tale. Anderson has created an adventure that people of all ages can enjoy; it remains clean and tasteful for the young audience, but does not fail to capture the attention of those who may be older readers. An exciting journey for anyone to enjoy." - Kelly W., Editorial Reviewer
