Justine Henin: From Tragedy to Triumph Mark Ryan

One of the best women tennis players of all time, Justine Henin's dazzling array of shots, combined with her immense personal courage, have earned her enormous respect among current players and former champions alike. Justine's success is all the more remarkable considering that off-court she has had to weather a series of family tragedies, a debilitating virus, the breakdown of her marriage and a seven-year feud with her father and brothers.

Now, with family bridges rebuilt, her tennis is reaching new heights, to bring her one Grand Slam title after another. Always thrilling to watch, Justine's breathtaking backhand, described by John McEnroe as 'the best in the world – man or woman' is rivalled by a sensational forehand and razor-sharp volleying. Author Mark Ryan, who has good relations with the Henin family, knows the inside story of Justine's rise to the top – and what it almost cost her – better than any other sports journalist. His account is compelling, sensitive and a must for all tennis-lovers.
