Knots and Straps

Knots and Straps
Mr. Stephens enjoys the curves and valleys of a woman's body - to say the least! Illustrating said ladies of some dimension and heft, he also likes to see them in decidedly uncomfortable positions. It's why we call it "fantasy art!" A popular erotic and pin-up artist, Vincent Stephens has been assembling a mighty tome of booty-centric artwork, as well as a legion of ardent admirers. When we saw his portfolio of pretty young things, we just HAD to add him to our list of erotic illustrators! Knots & Straps volume one is loaded with eye-popping cheesecake and B&D artwork calculated to have you turning each page with breathless anticipation. Big girls don't cry - but they DO look great all tied up!
