‘Cakes, castles and oodles of charm: this book is huge fun and pure escapism’ Cathy Bramley

From sleigh bells to wedding bells . . .

After a rocky start, Ellie Hall baked her way into everyone’s hearts at Claverham Castle – even the miserly Lord Henry was won over – and the run-down teashop regained its old sparkle.

Now Ellie has upgraded cupcakes for fairytale masterpieces as the proud caterer for an ever-growing list of weddings at the castle. The teashop team love baking to the tune of happy ever afters, but can they pull together when a certain bridezilla pushes them all to boiling point?

Christmas is just around the corner, and a last minute booking threatens to snow the team under. Ellie and her hunky hubby Joe have their own Christmas dreams to chase, but they’re determined to pull through and give this special couple the winter wonderland wedding they deserve.

Will Christmas at the Cosy Teashop be a showstopper to remember?
