The Gnostic Papers: The Undiscovered Mysteries of Christ John Panella
The Undiscovered Mysteries of Christ Seven mysteries explain the hidden Gnostic meanings of the Bible. The secrets hidden within the words and teachings of Jesus. You will never read the Bible in the same way again. What the Bible really says about life, death, resurrection and the afterlife. The hidden enigmatic parallels behind Jesus' parables. This work inscribes realities hidden within the human race. It uncovers ancient mysteries that have existed before the foundations of this world. Most people are desperately searching for answers and The Gnostic Papers reveals gnosis that has been dormant within all of us. * More people than ever are looking outside of the religious teachings to find the answers to questions that constantly elude them. They are turning more towards Metaphysics to supply these answers, yet they do not want to completely discard the teachings of the church. * This book is an attempt to bridge the gap and connect the two schools of thought by supplying Gnostic meanings and interpretations to the ancient text.
