Vengeance Is Mine Tim Rupp
It was 1863, America was split by war. Texas farmer and former lawman Levi Horn is called to serve for the South, leaving his teenage son to watch over the family. A band of outlaws led by a revenge-driven escaped convict attacks Horn's family and farm. Torn between vengeance and justice, sixteen-year-old Luke Horn sets off on the trail of the outlaws. A good storyteller knows the heart of humanity. Storytelling comes from life experience. The characters and places Tim Rupp takes his readers are born out of his experiences as a military service member, a veteran police officer, and pastor-and of course as a husband, father, and grandfather. Through historical research and walking the land himself, Tim strives to provide authentic settings in his books.
