Essential World Atlas

Oxford University Press

Essential World Atlas Oxford University Press
With superbly crafted maps covering the entire globe, the *Essential World Atlas, Fifth Edition* highlights the best aspects of Oxford's atlas line in a handy and affordable paperback format. In addition to a unique city-mapping program that takes the viewer deeper into the workings of urban spaces, this edition offers several new and innovative features. The inclusion of numerous maps of islands in the South Pacific and the Caribbean distinguishes this atlas from its competitors, and it features dozens of thematic maps, charts, and graphs explaining many fundamental concepts in human geography.

The new *Fifth Edition* also contains hundreds of up-to-the-minute political and topographical changes since the last edition including:

New national parks in Norway, Turkey, South Africa, Uganda and Costa Rica

New international airports added in Congo, Cape Verde Islands, Philippines, Korea, and India

New high speed rail lines in China

New Kosovo and Iraq flags

New rail link joining North and South Korea

New Lotschberg rail tunnel in Switzerland

From reader reviews:

Elizabeth Parker:

The book with title Essential World Atlas includes a lot of information that you can study it. You can get a lot of profit after read this book. This specific book exist new understanding the information that exist in this guide represented the condition of the world at this point. That is important to yo7u to find out how the improvement of the world. This kind of book will bring you within new era of the globalization. You can read the e-book with your smart phone, so you can read this anywhere you want.

George Finch:

People live in this new moment of lifestyle always make an effort to and must have the free time or they will get wide range of stress from both day to day life and work. So , when we ask do people have spare time, we will say absolutely of course. People is human not really a robot. Then we consult again, what kind of activity do you have when the spare time coming to a person of course your answer will probably unlimited right. Then do you try this one, reading guides. It can be your alternative in spending your spare time, the actual book you have read will be Essential World Atlas.

Spencer Fuentes:

In this era globalization it is important to someone to obtain information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information much easier to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You will see that now, a lot of publisher this print many kinds of book. The actual book that recommended for you is Essential World Atlas this reserve consist a lot of the information with the condition of this world now. This particular book was represented just how can the world has grown up. The vocabulary styles that writer make usage of to explain it is easy to understand. Typically the writer made some analysis when he makes this book. Here is why this book appropriate all of you.

Nathaniel Marvel:

As a pupil exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's heart or real their hobby. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Essential World Atlas can make you sense more interested to read.
