Reading Modernist Poetry

Michael H. Whitworth

Reading Modernist Poetry Michael H. Whitworth
This essential guide to modernist poetry enables readers to make sense of a literary movement often regarded as difficult and intimidating.

- Provides close examinations of key poems by T. S. Eliot, Ezra Pound, W. B. Yeats, and others
- Considers key techniques employed to orient and disorient the reader, such as diction, rhythm, and allusion
- Explores the ideological implications of subject matter and the literary forms and structures of modernist poetry
- Places modernist poetry in relation to its Victorian and Romantic predecessors
- Encourages readers to engage with the texts and make their own interpretations, moving away from the question of what the poem *says* in favour of considering the effect of the poem on its reader
