**Sense of the Future: Essays in Natural Philosophy** Jacob Bronowski
-Jacob Bronowski truly educated an enormous number of members of that diffuse population usually referred to, with a hint of condescension, as educated laymen through his widely shared television series on the concepts of science and through such highly regarded books as The Identity of Man and The Ascent of Man. This volume extends the process to a further level of insight, and it may be more than suggestive that its final essay is entitled The Fulfillment of Man. Bronowski was an extraor
