The Billionth Monkey

Richard Kaczynski

The Billionth Monkey Richard Kaczynski
It's like a meme come true... Professor Niels Belanger is having the week from hell. The chair of his department has quit. The cute waitress at Café du Monde won’t speak to him. And now one of his students is trying to kill him. Belanger has stumbled into the deadly fantasy world of Nicholas Young, a partying frat boy whose unhealthy obsession with acting out urban legends has gone just a teensy bit over to the dark side. Everything changes when Belanger encounters the most unusual woman he has ever met: a wildly nonconformist goth who technically shouldn’t exist. Yet the fact that she does forces him to accept that something much bigger and stranger is warping the shopworn fabric of reality. But are the two of them enough to stop a Millennial under-achiever from impossibly destroying the world?
