**The Lone Gunman** Albrecht Giddings
If, as the late J. Allen Hynek claimed, over 1 in 40 people have been abducted and ‘processed’ by the ‘alien/secret government’ agenda — or 1 in 10 according to more recent sources — then you are bound to know someone who is an abductee and KNOWS it. This information is for THEM.  For those who are not “UFO Abductees”, the information in this file is nevertheless vital and applicable, and may one day save your life!!! If you believe that information about “Aliens” is only for those who have lost all touch with reality, then PLEASE accept the information in this document that you CAN accept, and pass over the rest, at least for now. Your future may depend on it. As I have said, this information may save your life. In this issue: "The Lone Gunman."
