Anatomy of a Museum (Anomalous Books)

A Kendra Greene

Anatomy of a Museum (Anomalous Books) A Kendra Greene
Literary Nonfiction. Lyric Essay. Museum Studies. Travel Writing. ANATOMY OF A MUSEUM visits the Icelandic Phallological Museum in its final months under the direction of its original collector, to trace how what started as a gag gift evolved over decades into a museum known around the world. By its own estimation, the Icelandic Phallological Museum is the only institution in the world to seek a collection of phallic specimens from every mammal species in one country—and since the recent demise of a human donor, the collection is now complete. But for all its originality, the IPM proves to be an illuminating part of both long-standing museum traditions and the particular bloom of Icelandic institutions since the 1990s, demonstrating the island's uncanny knack of turning private collections into public museums.
