Double Entendre Heather Graham

A classic tale of romantic suspense from the queen of the genre, *New York Times* bestselling author Heather Graham, available for the first time in ebook.

Bret McAllistair's determination to always get the big scoop has built his career as a journalist, but destroyed his marriage. So when Bret makes a move to revive his connection with his estranged wife, Colleen, she thinks he's after a story—*her* big story. She's uncovered maps leading to diamonds lost during World War II. It's a dangerous assignment, and Bret just wants to be there to protect her. Being together again stirs up old passions, but Colleen can't decide if she can trust him…or her own heart.

Originally published in 1994.
