Of Cannibals and Kings: Primal Anthropology in the Americas (Latin American Originals) Neil L. Whitehead

Of Cannibals and Kings collects the very earliest accounts of the native peoples of the Americas, including selections from the descriptions of Columbus's first two voyages; documents reflecting the initial colonial occupation in Haiti, Venezuela, and Guyana; and the first ethnographic account of the Taínos by the missionary Ramón Pané. This primal anthropology directly guided a rapacious discovery of the lands of both wild cannibals and golden kings.
