A word of advice from Editor Anne McKinney: "If you want to enter the field of finance or advance in the industry, you don't need just any resume book. You need an industry-specific book. You will love this book targeted specifically to the financial field. Every resume and cover letter we put in a Real-Resumes Series book has been tested and proven in the real job market. Don't play games with your career. Your choice of a resume book is one of the most important career decisions you will ever make." Praise for books in the Real-Resumes Series: "Distinguished by its highly readable samples." - Library Journal "These excellent new guides don't just provide the usual coverage on how to write a resume. They provide industry-specific examples, industry-specific tips and cautions, and industry-specific strategies based on real-world resumes. Since many technical types aren't writers, this comes as a special gift; select a winning format, plug in your background specs, and away you go. It's that easy--with Real-Resumes in hand."-- The Midwest Book Review Testimonials of people who successfully used this book: "After years as a Mortgage Loan Officer, I needed a new challenge. Real-Resumes showed me how to reposition myself within my own industry." D. Marks "My job change was not voluntary. I was downsized by the banking industry. Thanks to Real-Resumes, I landed on my feet as a Chief Financial Officer in a related industry." A. Costello "After years in accounting, I was in a rut and in need of a change just to keep my brain stimulated. Real-Resumes changed my life and helped me find a new career." D.
