Colour in and save the world with The Exotic Colouring Notebook, a colouring book like no other. The Exotic Colouring Notebook is a companion title to The Exotic Colouring Book. £1* from every copy of The Exotic Colouring Book and its companion books (in any worldwide territory) including this notebook is donated to World Land Trust (www.worldlandtrust.org). Our donations will fund their 'Buy an Acre' program, where every £100 will fund the purchase of an acre of threatened rainforest in Mexico, Argentina and Ecuador. This means that every 100 books sold will ensure an acre of land – and all the species that occupy it – is protected for future generations. The Exotic Colouring Book showcases species from around the world. Some are familiar, and some less so, but they all have one thing in common: they are endangered. The thirty detailed illustrations are waiting for you to bring them to life with colour! The drawings are hidden amongst the A4 (8.5" x 11.5") writing pages, so when inspiration strikes, you can add in colour and doodles wherever you'd like. Find out more at www.megcowley.com
