The Patchwork Path: A Quilt Map to Freedom Bettye Stroud
The images stitched into Hannah's patchwork quilt lead to secret signposts on the Underground Railroad as she and her father take flight from slavery on a perilous path to freedom.

The wagon wheel. The bear's paw. The flying geese. These are some of the squares in the quilt Hannah's mama helped her to sew -- before Hannah's sister was sold to another plantation and before Mama died of a broken heart. Now that Hannah's papa has decided to make the run for freedom, this patchwork quilt is not just a precious memento of Mama -- it's a series of hidden clues that will guide them along the Underground Railroad to Canada, where they'll finally be free. A fictionalized account of a fascinating oral history, THE PATCHWORK PATH tells the story of a brave father and his young daughter, two of thousands who escaped a life of slavery and made the dangerous journey to freedom -- a story of courage, determination, and hope.
