The Summer of Billy Stevens

Dan Moore

The Summer of Billy Stevens Dan Moore
Dan Moore’s new book, The Summer of Billy Stevens, follows Billy, on the cusp of graduating from high school, who feels he is going insane – losing all sense of reality and well being. When the monotony of the suburbs becomes too much for him, he leaves everything he’s ever known and moves to San Francisco, where he realizes nothing is as it seems. After a summer of drugs, love and death, his life and the lives of those close to him will never be the same… In the words of unforgettable character Donny: "Around six years ago I awoke in the middle of the night. There was nowhere to go but back to sleep, and I couldn’t find my way there. So, I walked outside into the street to catch some air, and got lost somewhere between the Bay and my doorstep. That’s how I became lost, and I’ve been so ever since." Dan’s journey as a novelist began only recently, with Through The Wall of Rain and Fog -- his edgy, intimate exploration of high school friends coming of age. Through The Wall quickly established Moore as a gifted young writer, as The Summer of Billy Stevens further demonstrates. The characters of Billy Stevens are all new, and what happens in its San Francisco setting jars Moore’s fans out of the suburban complacency he so deliciously served up in his first novel. Yet, the theme of growing up that began in Through The Wall builds in Billy Stevens into one of growing up and out -- into a bigger, more exciting, and more terrifying world than the suburban ennui Billy flees.

From reader reviews:

Valerie Israel:

Book is usually written, printed, or outlined for everything. You can learn everything you want by a guide. Book has a different type. To be sure that book is important issue to bring us around the world. Beside that you can your reading expertise was fluently. A reserve The Summer of Billy Stevens will make you to possibly be smarter. You can feel much more confidence if you can know about every little thing. But some of you think this open or reading any book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you in search of best book or suitable book with you?

Billy Shaner:

Nowadays reading books be than want or need but also become a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want drive more knowledge just go with training books but if you want experience happy read one with theme for entertaining for instance comic or novel. Often the The Summer of Billy Stevens is kind of e-book which is giving the reader unstable experience.

Lola Hernandez:

This The Summer of Billy Stevens is great e-book for you because the content and that is full of information for you who else always deal with world and possess to make decision every minute. This kind of book reveal it info accurately using great plan word or we can state no rambling sentences within it. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but hard core information with splendid delivering sentences. Having The Summer of Billy Stevens in your hand like keeping the world in your arm, information in it is not ridiculous just one. We can say that no book that offer you world in ten or fifteen tiny right but this book already do that. So , this can be good reading book. Hey there Mr. and Mrs. occupied do you still doubt that?

Clayton Bruce:

What is your hobby? Have you heard this question when you got pupils? We believe that that query was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. So you know that little person including reading or as reading become their hobby. You need to know that reading is very important along with book as to be the matter. Book is important thing to add you knowledge, except your teacher or lecturer. You will find good news or update regarding something by book. Many kinds of books that can you choose to use be your object. One of them is this The Summer of Billy Stevens.
