ARRIVAL: Poems

Cheryl Boyce-Taylor

ARRIVAL: Poems Cheryl Boyce-Taylor
ARRIVAL is a poetic love story between mother and daughter. The poems are road maps, intertwining generations with a narrative beginning in 1950 with a woman who is pregnant with twins. In her seventh month she delivers a stillborn boy and a baby girl weighing less than two pounds. From there, the evocation of a series of catastrophic family events brings forth Cheryl Boyce-Taylor's power to strip her readers down to their most vulnerable. Boyce-Taylor is steeped in the narratives of Trinidad and New York City, colored with metaphorical stew-pot images. She revels in her lyrical range as she weaves these poetic retellings of family, place, and identity.
