Give America a Chance; The Rants and Raves of an American Patriot A.J. Nelson
Give America a Chance: The Rants and Raves of an American Patriot is not your typical "support your country" book. In one sentence, this is a journal of my attempts to spend one year purchasing American made products while, at the same time, encouraging you to do the same. It's a whole lot more than that, though. A lot of things can happen in one year. And a lot of things did... This book will prove to you that Americans are hard workers and Americans actually do manufacture quite a bit of things right here at home. Additionally, this book will lay out in simple (and sometimes humorous) terms why it is so important to support your country and give America a chance.
