Hawthorn's Discovery (Tales of Larkin) Dr. Alan W. Harris
Tales of Larkin: Hawthorn's Discovery is a Christian fiction novel involving three tribes of one-inch-tall people living in the woods, facing the dangers of ants the size of bulldogs, lizards as big as dragons, and snakes as threatening as runaway freight trains. If these ever-present dangers are not menacing enough, the Larkin's enemies, the brutal Renegades, are actively seeking to destroy as well.

Hawthorn is a young Larkin facing his first opportunity to hunt for his people when he and others are captured by angry Renegades. Dramatically rescued by a people whose existence he had never known, Hawthorn is not only taught about the true God, but this devout tribe plans and executes a rescue of his other friends who remain in bondage.

With delightful characters, nonstop action, laugh-out-loud humor, and abundant examples of godly character, the story offers spiritual insights that are a delight to discuss and lead to challenging, potentially life-changing application. It is an adventure that is best experienced together as a family.
