Love in Maine

General Hospital's Connie Falconeri

Love in Maine General Hospital's Connie Falconeri

As seen on ABC Daytime s *General Hospital*, the delightful first novel from Port Charles s Connie Falconeri. Whether you ve been a fan of *GH* your entire life or simply love a romantic romp of a beach read, *Love in Maine* is unputdownable!

Maddie Post is privileged, sheltered, and polite, and she does not belong in Blake, Maine. But thanks to a high-stakes bet, she s waiting tables at a riverfront diner catering to boatbuilders and living in Janet Gilbertson s $200-a-month guest room. And Janet s dark and stormy son, Hank, back in Maine after ten years as an active duty Army diver, isn t without his troubles, either. Their flirty friendship has many passionate ups and downs, but when Maddie and Hank put aside their considerable differences and start opening up to each other, the crackle of a summer romance grows into a blazing fire.

From reader reviews:

Jose York:

Book is to be different for each and every grade. Book for children until adult are different content. As you may know that book is very important for people. The book Love in Maine was making you to know about other know-how and of course you can take more information. It is quite advantages for you. The book Love in Maine is not only giving you much more new information but also being your friend when you truly feel bored. You can spend your own personal spend time to read your reserve. Try to make relationship while using book Love in Maine. You never sense lose out for everything should you read some books.

Ray Ortiz:

Information is provisions for individuals to get better life, information presently can get by anyone at everywhere. The information can be a knowledge or any news even an issue. What people must be consider when those information which is from the former life are challenging be find than now's taking seriously which one works to believe or which one often the resource are convinced. If you get the unstable resource then you buy it as your main information there will be huge disadvantage for you. All those possibilities will not happen with you if you take Love in Maine as your daily resource information.

Walter Telford:

Reading a publication can be one of a lot of action that everyone in the world likes. Do you like reading book consequently. There are a lot of reasons why people enjoyed. First reading a book will give you a lot of new facts. When you read a publication you will get new information because book is one of various ways to share the information or maybe their idea. Second, reading through a book will make an individual more imaginative. When you reading a book especially fiction book the author will bring one to imagine the story how the character types do it anything. Third, you are able to share your knowledge to others. When you read this Love in Maine, you may tells your family, friends in addition to soon about yours e-book. Your knowledge can inspire the others, make them reading a reserve.

Duane Vega:

This Love in Maine is great guide for you because the content which can be full of information for you who always deal with world and possess to make decision every minute. This specific book reveal it information accurately using great manage word or we can claim no rambling sentences included. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only offers you straight forward sentences but tricky core information with splendid delivering sentences. Having Love in Maine in your hand like keeping the world in your arm, data in it is not ridiculous 1. We can say that no e-book that offer you world throughout ten or fifteen minute right but this e-book already do that. So , this can be good reading book. Heya Mr. and Mrs. busy do you still doubt that?
