The Blockade (First Salik War)

Jean Johnson

The Blockade (First Salik War) Jean Johnson
The national bestselling author of *The V'Dan* returns to her gripping military sci-fi series set in the same world as Theirs Not to Reason Why.

The First Salik War is underway, and the Alliance is losing—their newest allies must find a way to win, or everyone will be slaughtered.

Though committed to helping their V'Dan cousins, the Terrans resent how their allies treat them. The V'Dan in turn feel the Terrans are too unseasoned to act independently. And the other nations fear that ending the Salik War means starting a Human Civil War.

Even as Imperial Prince Li'eth and Ambassador Jackie MacKenzie struggle to get their peoples to cooperate, they still face an ethical dilemma: How do you stop a ruthless, advanced nation from attacking again and again without slaughtering them in turn?
