The Middle School Years: Love Me When I'm Most Unlovable Robert Ricken

The thoughts in this book, poems if you choose to call them that, are emotions expressed to the author during his 30 very rewarding years of working with young adolescents. These expressions are the sincere reflections and sentiments of young people as they struggle toward adulthood. Although we frequently are forced to shake our heads at their antics, young adolescents make each day a joyful adventure. That's why middle school teachers have happily learned to "love them when they're most unlovable."
