The North Water Ian McGuire

""The North Water."..is a great white shark of a book swift, terrifying, relentless and unstoppable."
--Michiko Kakutani, " The New York Times"

"A fast-paced, gripping story set in a world of gruesome violence and perversity, where 'why?' is not a question and murder happens on a whim: but where a very faint ray of grace and hope lights up the landscape of salt and blood and ice. A tour de force of narrative tension and a masterful reconstruction of a lost world that seems to exist at the limits of the human imagination." --Hilary Mantel

This is a novel that takes us to the limits of flesh and blood. Utterly convincing and compelling, remorselessly vivid, and insidiously witty, "The North Water" is a startling achievement. --Martin Amis
A nineteenth-century whaling ship sets sail for the Arctic with a killer aboard in this dark, sharp, and highly original tale that grips like a thriller.

Behold the man: stinking, drunk, and brutal. Henry Drax is a harpooner on the "Volunteer," a Yorkshire whaler bound for the rich hunting waters of the arctic circle. Also aboard for the first time is Patrick Sumner, an ex-army surgeon with a shattered reputation, no money, and no better option than to sail as the ship's medic on this violent, filthy, and ill-fated voyage.

In India, during the Siege of Delhi, Sumner thought he had experienced the depths to which man can stoop. He had hoped to find temporary respite on the "Volunteer," but rest proves impossible with Drax on board. The discovery of something evil in the hold rouses Sumner to action. And as the confrontation between the two men plays out amid the freezing darkness of an arctic winter, the fateful question arises: who will survive until spring?

With savage, unstoppable momentum and the blackest wit, Ian McGuire's "The North Water" weaves a superlative story of humanity under the most extreme conditions."
