Blackmoore: A Novel Marcus James
Within the secluded shelter of evergreens and cliffside that surrounds Bellingham Washington is South Hill, the city's prominent old money neighborhood; filled with gracious Victorians and manor homes, over looking the fishing port of Fairhaven and the dark waters of Bellingham Bay. 17 year-oldTrevor Blackmoore has lived here his entire life, shunned and feared, along with the rest of his clan by the snobbish and superstitious families that surround them; who regard the Blackmoores as the devil's concubines. As a young clairvoyant dealing not only with the dark secrets of his family but also with his homosexuality; two things which have made him an outsider, he struggles to find normalcy. Trevor's life is made extremely difficult by his tormentors and former childhood friends Cheri Hannifin, Greg Sheer, and Christian Vasquez; three school gods of the prestigious Mariner High School. When Christian suddenly returns to Trevor's life, full of regret and a sudden need for something more, Trevor is unaware that he is walking into a devilish and dangerous trap concocted by Cheri and Greg, who have more in store for Trevor than simple revenge but a plot to ruin an unsuspecting Christian as well. This act sets off a chain of events that will fulfill the doomed prophecy of the Blackmoore family, who in their mysterious world, lined with voodoo and their dark and complicated Irish roots, are in grave danger. A century's old curse comes to an end, releasing an ancient and bloodthirsty evil, set out on destroying the family, and Trevor learns that he is at the center of it; realizing that he is all the stands between this darkness and his family's survival.
