CEO - in - Training Jenny Rae Le Roux

From “What is consulting?” to preparing for your first day, this is the ultimate overview of the consulting industry

Consulting is mysterious – top firms like Bain, BCG, and McKinsey are highly respected, and completing a rigorous 2-year management training program sets graduates on the fast track to becoming a future multinational CEO, leader of a major non-profit or director of a disruptive startup.

But how do consulting firms take an average student and make them into CEO material? Insider insights from the secretive industry are murky and questions abound. What do consultants really do all day long? Is consulting a good fit for your skills? How does consulting compare to other jobs? How do you get your foot in the door?

CEO-in-Training is a complete practical toolkit to give you an insider’s view into what consulting really entails: the pros, the cons, how-tos, and everything in between.

Included in this book:
• Management consulting vs. finance
• Networking tips
• Consulting resume and cover letters
• Keys to acing consulting interviews
• Insights on the lifestyle of a consultant
• A consulting lingo dictionary

Packed with real life anecdotes and insider tips on how to break in, stay in and get ahead, we show you consulting as it really is. Success in consulting is not for the weak of heart – so read this to get a glimpse of what it takes to be one; see if you are ready for life as a consultant.

From reader reviews:

James Kyles:

In this 21st one hundred year, people become competitive in every single way. By being competitive at this point, people have do something to make them survives, being in the middle of the actual crowded place and notice by simply surrounding. One thing that occasionally many people have underestimated that for a while is reading. Yep, by reading a book your ability to survive increase then having chance to endure than other is high. To suit your needs who want to start reading a new book, we give you this CEO - in - Training book as nice and daily reading reserve. Why, because this book is more than just a book.

Erin Cummins:

Do you one of the book lovers? If so, do you ever feeling doubt if you are in the book store? Make an effort to pick one book that you find out the inside because don't evaluate book by its protect may doesn't work is difficult job because you are scared that the inside maybe not because fantastic as in the outside appearance likes. Maybe you answer is usually CEO - in - Training why because the excellent cover that make you consider regarding the content will not disappoint anyone. The inside or content is fantastic as the outside or even cover. Your reading 6th sense will directly guide you to pick up this book.

Kayla France:

In this particular era which is the greater man or woman or who has ability to do something more are more treasured than other. Do you want to become certainly one of it? It is just simple method to have that. What you should do is just spending your time little but quite enough to get a look at some books. On the list of books in the top listing in your reading list is CEO - in - Training. This book and that is qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking upwards and review this guide you can get many advantages.

Ronald Smith:

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the professor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this CEO - in - Training can make you truly feel more interested to read.
