Greg Johnson

Confessions of a Reluctant Hater Greg Johnson
CONFESSIONS OF A RELUCTANT HATER is an accessible and challenging introduction to White Nationalism, written by one of the leading voices of the North American New Right. CONFESSIONS OF A RELUCTANT HATER contains 28 short essays, reviews, and opinion pieces that chronicle the author's discovery of a white worldview and a white voice to defend it. Greg Johnson discusses multiculturalism, immigration, economic policy, the Tea Party, and the 2008 and 2010 elections, as well as Craig Bodeker's A CONVERSATION ABOUT RACE films, Christian Lander's WHITER SHADES OF PALE, and even the controversies surrounding the "Ground Zero" mosque and the arrest of Henry Louis Gates, Jr. Greg Johnson also shows that White Nationalism is not a rigid, right-wing orthodoxy, by including searching and controversial essays on drug legalization, race-mixing, homosexuality, "West Coast White Nationalism," and counter-culture guru Alan Watts. He also argues that White Nationalism will not triumph until white racial consciousness leaves its right-wing ghetto and becomes the common sense of the whole political spectrum. Greg Johnson is a master of defending radical and uncompromising views with wit, clarity, seductive logic, and brutal frankness.
