The next action-packed thriller from the author of Night Hush *and* Bait…

On a secret assignment for MI-5, British SAS soldier Trevor Carswell is deep undercover with The Philosophy of Bedlam, a home-grown anarchist group responsible for several museum bombings. He's on the brink of unearthing their motives when Scotland Yard foils their latest attack. Desperate to escape, the Bedlamites take civilian hostages—among them, a woman Trevor never expected to see again.

American political analyst Shelby Gibson is stunned when she recognizes Trevor, her one-time lover, brandishing a shotgun in the lobby of the August Museum of Modern Art. He's the last man she'd ever trust, but Trevor is no criminal, and he may be her only hope of getting out of the building alive.

With the woman he once loved in serious danger, Trevor will risk everything to get Shelby to safety, even if it means blowing his cover. As they search for the truth behind the bombings, Shelby and Trevor expose the powerful, desperate man pulling the anarchists' strings...and the half-century-old secret he'll kill to keep quiet.
