Primitive Affliction Chuck E Arllah

Primitive Affliction is the true story of how members of a criminal motorcycle gang and white power domestic terrorist group merged to produce a hybrid organization involved in planning bombings and murders, distributing narcotics, and executing other crimes with the goal of establishing a whites-only homeland in the Pacific Northwest of the United States.

The undercover operator, writing under the pseudonym of Chuck E. Arllah, tells the story of his part in the investigation and how this operation began as an intelligence operation to update intelligence on the Outlaws Motorcycle Club and various white power groups, and how it grew to the infiltration of Aryan Nations and the Outlaws, and the creation of the 1st SS Kavallerie Brigade made up of members of the Outlaws and Black Pistons Motorcycle Club.

Primitive Affliction details the nuts and bolts of the undercover operation, unforeseen complications, including Agent Arllah being promoted to Deputy Director of Aryan Nations, and the emotional roller coaster of seven years of living an undercover life.

Only the names of certain individuals and places have been changed for their protection.
