The Execution (The Wintergrave Chronicles) (Volume 1) Sharon Cramer
Tomorrow…he would be dead. 14th Century France The young priest is a dark angel amid the death and despair of the medieval prison. But, as D'ata enters the cell of the condemned man—the mercenary, the evil one—he is transfixed by the killer's eyes. The face of the murderer is his own, a mirror image of himself. The twins, unknown to each other until this strange night, share the stories of their ill-fated lives and the destiny that brought them to this fetid dungeon. The tales unfold, creating an unbreakable bond sealed with their darkest secrets. With only hours until the execution, D'ata begins to question which man should truly be condemned. Should it be Ravan, the ruthless killer—a boy from an orphanage who suffered the unimaginable? Or should it be he, the man of God whose own tormented desires ended in tragedy and…the inescapable darkness of his own soul? As the sun rises, D'ata knows what he must do. But can he pay the ultimate price, for what is the cost of true freedom? First in a three book series.
