The Notebook Girls: Four Friends, One Diary Julia Baskin, Lindsey Newman, Sophie Pollitt-Cohen, Courtney Toombs
Everyone likes to think they started the notebook. Sophie claims she stole the idea from two girls in her math class. Courtney still has a death grip on the theory that the notebook was her invention. Lindsey doesn't really care; she's just along for the ride. And Julia never knows what's going on anyway.What we do know is that we started the notebook in freshman year at Stuyvesant High School as a way to keep in contact when our conflicting schedules denied us one another's company. It allowed us to express ourselves and our views of the world in a tone of complete sarcasm, obscenity, and blind honesty. We've spent a significant portion of our adolescence trying to figure out who we are. The notebook is the closest we've come.We're just a group of normal girls with normal lives. Our notebook is meant to make you laugh and make you remember.
