Whening Tennis - Student Workbook Larry Huebner

Larry Huebner's **Whening Tennis: In Tennis, as in Life, Timing is Everything** has a new complimentary Workbook. The questions in the workbook are answered in each phase of "Whening Tennis", so students can really understand what is taught on the court. The work contains three sections: beginning, intermediate and advanced, to fit the class ability levels offered. Adding an academic element to teaching sports is an important element of physical education. Teachers and coaches appreciate the professional approach larry makes possible with the two books. The workbook is available shrink-wrapped and three-hole punched for easy use in a binder. Teachers, coaches and students in high schools, community colleges, colleges and universities using **Whening Tennis** and the **Whening Tennis Workbook** enthusiastically recommend their use. "What a fantastic job Larry Huebner has done with his great publication, **"Whening Tennis!"** First, one would be hard pressed to find anyone more qualified to write about tennis than Larry - no one is more respected in the tennis world by people who know the game. Second, how refreshing it is to have something other than just a "How-to" book to help one understand and enjoy tennis more! Larry has done a fantastic job in selecting, simplifying and organizing his topics. Everything Larry writes about is relevant to today's game. I enthusiastically recommend this book for players of all abilities, as well as parents. Enjoy. . ."

-Dick Gould, Coach of 17 Ncaa Men's Championships Director of Tennis, Stanford University
