G.T. Borelli was a loan consultant for fifteen years and has worked for several of the country’s largest mortgage lenders. Instead of turning away clients who had challenged credit, she decided to take a pro-active interest and approach to help her many clients to turn their credit around who wanted to purchase a home and couldn’t. It became a crusade for her to get the information out to as many people as possible who are dealing with credit issues and don’t know where to turn. Her goal: That anyone struggling with credit issues will be able to resolve these issues on their own. The book’s intention is to give the reader a more-than-basic understanding of credit problems and solutions with clear direction and guidance to effect change.
