Import Export – Importing From China can be extremely profitable if you know the insiders secrets. I have personally imported thousands of products from China. Example – I imported a product for under $3 and sold it for $25 (about 700% mark up!) Example 2 – I imported another product for $85 and sold it for over $200 Example 3 – Another product cost $15 and sold for $40+ I'll show you the places I use to source these products and more. Plus how to import successfully and profitably. Knowing some of the tips that I will share with you after years of experience can save you a fortune. In fact as I write this book my office is inside one of the most successful freight forwarding companies in the country. I know the insiders tips. You don't always have to import in large quantities. Using my methods often you can order in small numbers even when they originally quote a much higher figure. Discover the opportunity for yourself and use the same places some of the world's largest company's use and enjoy fantastic profit margins.
