Meg Hickling

The New Speaking of Sex: What Your Children Need to Know and When They Need to Know It Meg Hickling
This updated and expanded version of the bestselling More Speaking of Sex, continues to deliver no-nonsense facts in a humorous yet scientific manner. With new chapters related to the Internet, and multi-faiths, parents will find the latest and greatest information about sexual health. Meg Hickling gently dispels misconceptions and unhealthy beliefs about sex by telling even more humorous stories from over 25 years of experience working with children, families, teachers, and other professionals.

Hickling touches on the physical, intellectual, emotional, and spiritual aspects of sexuality - a "whole" person approach to sex. She knows that many parents had no information given to them by their parents, their churches, or their schools, when they were growing up, and Hickling hopes this book will provide the knowledge parents need. Hickling provides age-appropriate information, guidelines on how to talk with children at various stages of their development, and examples of how to answer tough questions.
