The Shipkiller: A Novel Justin Scott

In celebration of the thirty-fifth anniversary of this renowned maritime thriller, a new edition for the next generation of readers.

It was the largest moving object on the face of the earth,but for Carolyn and Peter Hardin it was a towering wall of steel bursting out of a squall at full speed, bearing down on their ketch *Siren*. In a few dramatic moments, *Siren* was shattered by the indifferent juggernaut. Struggling for his life, Peter Hardin felt the hand of his wife being torn from his grip as the huge white letters on the supertanker's stern–Leviathan?steamed away. Thus begins an odyssey of revenge that embraces the distant waters of the world, from the titanic storms of the South Atlantic to the oil-slicked reaches of the Persian Gulf. Now back in print for the first time in twenty-five years, *The Shipkiler* is the story of one man determined to win at sea the justice he has been denied on land. 32 B&W phots plus 25 in text drawings
