Albina: A Windflower Saga Novella (The Windflower Saga) (Volume 19) Aleksandra Layland
In a time not now and in a world not of our own... We meet Albina in Far Haven: A Quest For Certitude. A Fight for Justice. (Part III of the Windflower Saga trilogy). She is the only daughter of Tribune Loris Kennet and Lady Keridwen, the former Duchess of Ansgar. However, we know little about her beyond the details of her birth and that she attends university to study science. This short novella fills in the gap, following her from childhood until she leaves home at sixteen to begin her higher education; and then her adventures, struggles, triumphs, and romances that finally lead to her embarking on her professional goals as well as her young married life.
