But through more than a little luck she manages to escape the fate the false Queen has planned and seeks refuge in the forest. Unfortunately her luck only holds for so long before the Queen's knights are on her trail. After all, if she's allowed to live, the Queen's hold on the kingdom will crumble. The Queen wishes to hire them but they know better than to fall for the pretty lies from a face that hides the truly twisted nature within. Dierk, Niklaus, and Baldric are professional Huntsmen for a reason. The forest is both their home but also their place of business. When things start to go very wrong they know what they have to do. Find the Princess and keep her safe. What they didn't realize was that they weren't merely destined to protect her. They were destined for something much more intimate. Note: This book was previously published with another publisher and has been extensively revised and expanded. ** A Siren Erotic Romance
