Aliens, Abductions and Other Curious Encounters: Contact with E.T.s and Other Worlds

Jo Ann Koch

Aliens, Abductions and Other Curious Encounters: Contact with E.T.s and Other Worlds Jo Ann Koch This book chronicles one woman's lifelong interaction with aliens, other worldly entities and other strange encounters. It is unique as it takes place over a period of sixty-plue years. These memories are not recovered or induced but are fully remembered, from the time they took place until the present day. These experiences are chronicled, along with research and history, in a very readable and informative way. "Yes, they're here and I've interacted with these beings for many years. When I was young, in my crib, I was not able to articulate what was happening to me. As I grew older I knew that I must not speak of these experiences. So, for many years, I have lived in silence, and sometimes fear. Now here is my story. I hope it causes some to say: what if?"
