Flawed (The Butcher) Francette Phal
"You are this beautiful thing I want to destroy." Blood. That's the only memory he carries from a childhood he does not remember. And now it is all he knows. Blood is his life. Knox Bishop has done a lot of horrible things, all at the command of the man who holds his leash. It's a matter of loyalty for him. Allegiance to the man who saved his life when he was a child. So he goes where he is needed and does what he is told. He tortures. He kills. He kills. He tortures. It is an unrelenting cycle that he constantly craves and can never quite satisfy. Until her. Eighteen year old Lacey Barnes distributes her assets to fund her dreams. Medical school is the end game and she is determined to get there by any means necessary. But a family member's careless mistake derails her plans and now she must pay a price in order to save him. She goes to Knox willingly offering him the only valuable thing she has. Herself. In doing so he allows her into his world, a world she quickly realizes is void of any light and hope for escape is utterly elusive. But escape is something she finds that she no longer wants. "He lays a path of pleasure laced agony for me to follow and I do. Stupidly I follow him down the blinding darkness of his euphoric hell." Disclaimer: This book is intended for mature audiences (18+) due to the description of violence and sexual situations.
