The food truck craze stretches across America! These purveyors of everything from French toast to Thai green curry to tasty dessert treats and everything in between are found in every corner of this country. While food carts come in various forms, there is one unifying characteristic shared by each person manning these little kitchens: passion. They are all driven by a desire to share the food they love. It's not just a hobby; it's a necessity, like breathing or sleeping. Kim, Phil, and Terri traveled from state to state visiting the best food trucks out there and getting the story of the people behind the scenes. Each month you'll be treated to a one-of-a-kind food truck, its specialty, and the mouth-watering story behind it. Kim Pham and Phil Shen are the creators of BehindtheFoodCarts.com, which was named Best Culinary Blog by Saveur magazine. Terri Phillips is a freelance food writer.
